HELP Soup & Salad: It's time for the annual Soup & Salad Dinner, and we could use your help! Soup & Salad is one of the largest fundraisers for St. John School and has become increasingly popular in the community, serving an average of 500 dinners. Last year, 300 of those were delivered to area businesses! Being able to serve the area businesses requires the dinner to be held during the day on a Friday, and because many of our parents work, we are asking anyone interested to consider lending us a hand. This year's dinner will be held Friday, April 20. We need the most help Friday morning and afternoon between the hours of 7:00 a.m. and 1:00 p.m. If you are able to help, even for a couple of hours, please call Stephanie Mansfield at 740-603-5456 or the school office at 740-385-2767. Thank you in advance for not only your help, but also your continued support!

A House Key was found in one of the church pews. If you believe it may be yours, please stop by the Church Office to retrieve it.

Adopt a Flower Bed: For those of you who adopted a flower bed last year, you are welcome to continue this year. Also, we could use a few more people to help with the unadopted areas. Please contact the church office if you are interested in continuing or would like to begin helping out with our flower beds. If you are not able to do so, you still can help by leaving a bag or two of mulch here for our church's use. In order for all of our flower beds to be uniform, all mulch should be black.
